## Three (3) Mandatory Public Meetings

For the East Point Housing Authority's

2019 Annual & 5-Year Planning Sessions

We need your help in compiling the Annual and Five -Year Agency Plan, to assist the EPHA with advocating and applying for resources to serve residents and to provide input to the EPHA's Board of Commissioners on various aspects of the Authority's operations related to residents.

Families working together to build stronger communities through combined efforts to communicate, participate, and create memorable experiences in neighborhoods you are proud to call home. Helping to promote positive and neighborly resolutions to resident concerns, just to name a few. You are rewarded with the knowledge that you are providing a voice for the community and helping to create a place that everyone is proud to call home.
