

Dear Residents,

*Please plan to attend these
very important meetings*:*

*East Point Housing Authority's
2022 Annual & 5-Year Strategic Planning Sessions*

It is the mission of the East Point Housing Authority to provide and encourage the development of quality affordable housing for individuals and families while promoting self-sufficiency and neighborhood revitalization.

We need your help in compiling the Annual Strategic Plans, to assist the EPHA with advocating and applying for resources to serve residents and to provide input to the staff and Board of Commissioners, on various aspects of the Authority's operations related to residents.

OUR GOAL is to have families working together to build stronger communities through combined efforts to communicate, participate, and create memorable experiences in neighborhoods you are proud to call home.

"Transforming Families, Transforming Lives"

WE WILL ACHIEVE this by helping to promote positive and neighborly resolutions to resident concerns, and opportunities for self-sufficiency. You are rewarded with the knowledge that you are providing a voice for the community and helping to create a place that everyone is proud to call home.

Below is the scheduled Public Meeting date/time(s)
